

SSFL COMMUNITY ADVISORY GROUP

January 18, 2017 Meeting Minutes

Hidden Lake Clubhouse, West Hills

I: The meeting was called to order at 7:05 PM by Ron Ziman, Co Chair

II: Members Present: Alec Uzemeck, Ron Ziman, Michael Kuhn, Tim Brem, Sharon Ford.

III. Ron spoke about the SSFL Baseline Air Sampling Plan that is being prepared by Boeing, NASA and DOE Under DTSC approval. He cited some samples of substances that may not be included in their report but are a concern to residents in the communities surrounding the lab site. Alec will attempt to get copies of the current draft report for CAG review and comment.

IV. Alec distributed copies of key pages of the DOE EIS Summary, which showed the four alternative cleanup plans under the AOC and reviewed the plan detail for soil to be removed and cost and schedule for each choice.

V. Ron updated the group with the latest environment news from the American Jewish University. Barbara Lee the Director of DTSC issued a letter that said that the campus is safe for students, faculty and visitors. She also said that there is no evidence of radioactive material migrating from the SSFL to the campus.

VI. The meeting was adjourned at 9:30 PM.
